

PROFESSIONAL

Cannon Design

Boston, MA

2003-2009

Architecture Tech. / Designer / Planner

Project experience began with simple CAD drafting and expanded through model making, presentation graphics, programming, master planning and design. Attended and conducted client and user group meetings, verified code compliance, and researched and selected building materials. Most work focused in healthcare design with some work in higher education and commercial design.

Partial Project List:

King Faisal Specialist Hospital & Research Center - Riyadh, Saudi Arabia

- Campus Master Plan: Graphics, editing, & program analysis.

(Revit, Illustrator, Indesign) *1+ million SF*

Vancouver Island Health Authority - Victoria, BC Canada

- Royal Jubilee Hospital Patient Care Centre: Circulation design & multi-office

Revit management testing. (Revit) *New construction 320,000 SF*

Fletcher Allen Healthcare - Burlington, VT

- Campus Master Plan: Site photography, design options & graphics.

(Revit, Illustrator) *1+ million SF*

- Radiation Oncology Facility: Design options & graphics.

(Revit) *New construction 20,000 SF*

Capital Health - Halifax, NS Canada

- Multi-campus Master Plan: Graphics & design options. (Revit)

Childrens Hospital - Boston, MA

-Enders Laboratories: Construction documents. (ADT)

Multiple renovations 1500 – 5,000 SF

Hartford Hospital - Hartford, CT

- Pharmacy relocation: Preliminary design. (Revit) *Renovation*

Saints Memorial Medical Center - Lowell, MA

- Bariatric Center: Design options. (ADT) *Renovation 5,000 SF*

- Interior Renovations: Design options & graphics. (Revit, ADT, Illustrator)

Elliot Hospital - Manchester, NH

- Campus Master Plan: Graphics & editing. (Indesign, Illustrator, Powerpoint)

Brigham & Women's Hospital - Boston, MA

- Lower Level 2: Design & phasing of multiple spaces, user group & consultant coordination (Revit) *Renovation 10,000 SF*- Main Lobby: Construction documents. (ADT) *Renovation & expansion 4,000 SF*- Lower level 1 OR & PACU: Design, programming & phasing. (ADT) *Renovation 15,000+ SF*- Main Campus Kitchen: Construction documents & phasing (ADT) *Renovation 15,000 SF*

- Service Center Building: Site survey & construction documents.

(ADT) *Renovation 10,000 SF*

- Shapiro Cardiovascular Center: Construction documents.

(ADT) *New construction 420,000 SF*

EDUCATION

Master of Architecture

Boston Architectural College

May 2010

Boston, MA

Thesis Topic:

Sanctuary: Architecture in Representation of Minority Communities.

Thesis Test Site: Havana, Cuba

Bachelor of Science, Psychology

University of Oregon

Eugene, OR

APPLICATIONS

REVIT	SketchUp	Photoshop	Dreamweaver
AutoCAD	Powerpoint	Illustrator	InDesign

ACADEMIC

Foreign Study:

- 2009 Havana, Cuba - Two thesis related research trips for site and cultural analysis as well as consultant interviews.
- 2008 Havana, Cuba - History Theory Elective independent research study trip considering three approaches to Cuba's future.
- 2007 London, Germany & Prague - Long Studio considering architectural conditions and interventions. Result: Master plan & theater design.
- 2005 Havana, Cuba - Research trip focusing on residential architectural conditions and how the residents addressed those issues with available resources.
- 2004 Havana, Cuba - Study Tour and BAC/CUJAE Design Studio Charrette
- 1999-2000 AutoCAD 2000 (9 credits) - Lane Community College, Eugene, OR

COMMENDATION

- 2010 Finalist - Ames Traveling Scholarship

INDEPENDENT

- BAC Thesis Studio & Long Studio guest critic
- 2009 Havana Harbor Master Planning Charrette - Design Participant
 - Five day charrette sponsored by Norwegian and Cuban Chapters of the Council of European Urbanism and attended by Cuban & international design professionals.
- 2008 Havana Harbor Master Planning Charrette - Design Participant
- 2005 La Media Ermita Hotel, Havana, Cuba.
 - Independent non-credited BAC advanced level studio project. Project presented at the BAC and at CUJAE.

AFFILIATIONS

American Institute of Architects - Associate
Boston Society of Architects
National Council of Architectural Registration Boards - IDP: 685 hours remaining
Council of European Urbanism – Havana, Cuba Chapter
